Manager, Product Verification Dept.

This is to certify that the following Environmental tests have been performed on **GETAC Rugged E100A** Tablet computers.

In compliance with the requirements of the **IEC60529** listed below.

| TEST | IP Code | Pass/Fail* |
|-------|---------------------------|------------|
| Dust | IEC60529 IP6X: Dust-tight | Pass |
| Water | IEC60529 IPX5: Jetting | Pass |

***Pass/Fail status was determined by Getac test Engineer** based on the criteria that

1. The computer booted **Microsoft Windows®** successfully.
2. No particles of dust permeated inside the enclosure and no water permeated inside the enclosure after testing.
