

All-In-One DID

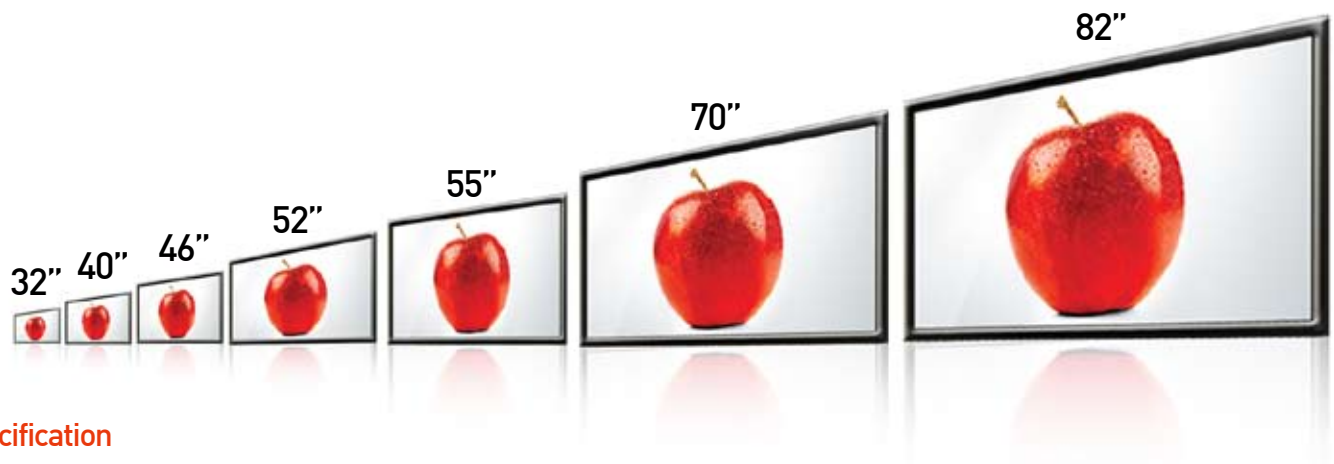

All-In-One DID. With the ever-growing needs of converging multiple features, Orion PDP boosts your expectation with integrated All-In-One models, offering high-brightness for outdoor viewership, touch screen functionality for interactive experience, and PC functions for tech-savvy users.

Special Features

Remote Power Control	One Button Power Off / On (PC & DID)
OSD Languages	English / Japanese / Chinese / French / German / Spanish
Touch	Infrared Rays
Built In PC	Industrial PC / High Speed CPU

● Specification

Item	Model	OLS-3201PTGB	OLS-4001PTGB	OLS-4601PTGB	OLS-5201PTGB	OLS-5501PTGB	OLS-7001PTGB	OLS-8201PTGB	OLS-4001PTGP	OLS-4601PTGP	OLS-5501PTGP	OLS-7001PTGP	OLS-8201PTGP	
DID Panel Inch		32"	40"	46"	52"	55"	70"	82"	40"	46"	55"	70"	82"	
Number of Pixels		1366 x 768 (WXGA)	1920 x 1080 (WUXGA)											
DID Panel	Brightness	450cd/m ²						700cd/m ²			600cd/m ²			
	Contrast Ratio	4000:1						3000:1			2500:1			
	Viewing Angle (H/W)	178° / 178°												
	Life time	50,000 h												
Industrial AD Board	Built In PC Internal Input Port	DVI-D												
	Amp	Built in 7W x 2 amp												
	CPU	AMG3.0G												
Built In PC	Main Board	MINI ITX												
	Memory	2G												
	HDD / SSD	160G/64G												
	Graphic	HD4200												
	OS	Windows 7 Embedded												
Touch Screen	Touch Input Method	Pen, Finger, Finger of Gloved Hand Activation												
	Response Time (ms, GTG)	Touch: <= 10ms, Drawing: <= 16ms												
	Touch Activation Force	No Minimum Touch Activation Force												
	Optics Cell Pitch	5.7mm±0.2mm												
	Optics Number	179 (H) X 100(V)												
	Available Object Sizes For Touch	Touch	Ø7 mm											
		Drawing	Ø8 mm											
	Touch Durability	Over 600,000 Single Point Touch												
Power	Input Voltage	100 ~ 240V AC, 50/60hz												
	Power Consumption	210W	260W	320W	350W	390W	810W	910W	280W	340W	420W	910W	1010W	
	Stand By Power Consumption	< 1W
